

Where does our litter end up?

Number the pictures in order from 1-5 to show what happened to the empty drink bottle.

How do you feel about litter?

Circle the face which shows how you feel.

Litter in the playground is a problem for the environment:
not at all a little bit a lot

Food counts as litter:
never sometimes all the time

A turtle in the ocean could be affected by litter I drop in the playground:
no way possibly definitely

List as many ways as you can that littering impacts on our environment

Litter Activities Booklet

- How do you feel about litter?
- Where does litter end up?
- Spot the difference
- Colouring in
- Litterbug Word Search

You can make a difference!

You and your family can adopt a spot in your neighbourhood to keep litter-free. Visit our website for details.

SPOT THE DIFFERENCE!

TAKE A CLOSE LOOK AT THESE PICTURES. CAN YOU SPOT THE TEN DIFFERENCES BETWEEN THE TWO PICTURES? MARK AN X OVER ALL THE DIFFERENCES.
